

OUR PARTNERSHIP WITH THE EAST BAY COMMUNITY FOUNDATION

In 2002 we forged a partnership with the East Bay Community Foundation (EBCF) for the administration of our grants. Founded in 1928, EBCF is a public foundation that has built an excellent reputation as an agent for increasing charitable giving in the East Bay and other communities. It brings a wealth of knowledge and expertise in grant-making and donor support. With the help of EBCF, we assure you of our continued strong commitment to help improve the quality of life in communities where Clorox employees live and work.

HISTORY OF THE CLOROX COMPANY FOUNDATION

Founded in 1980, The Clorox Company Foundation has awarded cash grants totaling more than \$73.4 million to nonprofit organizations, schools and colleges. Since its inception, The Clorox Company Foundation has focused on supporting innovative programs that serve youth, kindergarten through 12th-grade education, and cultural and civic organizations. The Foundation also supports local needs in plant communities and other organizations in which Clorox employees are involved. In addition, in fiscal year 2008 alone, The Clorox Company made product donations valued at \$5.3 million.
