

# SAFETY DATA SHEET

Issuing Date April 18, 2016

Revision Date New

Revision Number 0

## 1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

### Product identifier

**Product Name** Clorox® Triple Action Floor Dusters

### Other means of identification

**Synonyms** None

### Recommended use of the chemical and restrictions on use

**Recommended use** Dust wipes

**Uses advised against** No information available

### Details of the supplier of the safety data sheet

#### **Supplier Address**

The Clorox Company  
1221 Broadway  
Oakland, CA 94612

Phone: 1-510-271-7000

### Emergency telephone number

#### **Emergency Phone Numbers**

For Medical Emergencies call: 1-800-446-1014  
For Transportation Emergencies, call Chemtrec: 1-800-424-9300

---

**2. HAZARDS IDENTIFICATION****Classification**

This product is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

**GHS Label elements, including precautionary statements****Emergency Overview**

This product is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

**Appearance** Yellow, non-woven wipes **Physical State** Non-woven wipes **Odor** None

**Precautionary Statements - Prevention**

None

**Precautionary Statements - Response**

None

**Precautionary Statements - Storage**

None

**Precautionary Statements - Disposal**

None

**Hazards not otherwise classified (HNOC)**

Not applicable

**Unknown Toxicity**

None of the mixture consists of ingredient(s) of unknown toxicity

**Other information**

No information available

**Interactions with Other Chemicals**

No information available.

---

**3. COMPOSITION/INFORMATION ON INGREDIENTS**

This product contains no substances that at their given concentrations are considered to be hazardous to health.

---

## 4. FIRST AID MEASURES

### First aid measures

|                       |                                                                         |
|-----------------------|-------------------------------------------------------------------------|
| <b>General Advice</b> | Show this safety data sheet to the doctor in attendance.                |
| <b>Eye Contact</b>    | Rinse with plenty of water. If irritation persists, call a doctor.      |
| <b>Skin Contact</b>   | Rinse skin with plenty of water. If irritation persists, call a doctor. |
| <b>Inhalation</b>     | Move to fresh air. If breathing problems develop, call a doctor.        |
| <b>Ingestion</b>      | Drink a glassful of water. Call a doctor or poison control center.      |

### Most important symptoms and effects, both acute and delayed

|                                            |             |
|--------------------------------------------|-------------|
| <b>Most Important Symptoms and Effects</b> | None known. |
|--------------------------------------------|-------------|

### Indication of any immediate medical attention and special treatment needed

|                           |                        |
|---------------------------|------------------------|
| <b>Notes to Physician</b> | Treat symptomatically. |
|---------------------------|------------------------|

---

## 5. FIRE-FIGHTING MEASURES

### Suitable Extinguishing Media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

### Unsuitable Extinguishing Media

CAUTION: Use of water spray when fighting fire may be inefficient.

### Specific Hazards Arising from the Chemical

#### **Hazardous Combustion Products**

Oxides of carbon.

#### **Explosion Data**

**Sensitivity to Mechanical Impact** No.

**Sensitivity to Static Discharge** No.

#### **Protective equipment and precautions for firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

---

## 6. ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

|                             |                                                          |
|-----------------------------|----------------------------------------------------------|
| <b>Personal Precautions</b> | None known.                                              |
| <b>Other Information</b>    | Refer to protective measures listed in Sections 7 and 8. |

### Environmental precautions

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| <b>Environmental Precautions</b> | See Section 12 for additional ecological information. |
|----------------------------------|-------------------------------------------------------|

### Methods and material for containment and cleaning up

|                                |                                                                                                                                                           |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Methods for Containment</b> | Prevent further leakage or spillage if safe to do so.                                                                                                     |
| <b>Methods for Cleaning Up</b> | Containerize. Wash residual down to sanitary sewer. Contact the sanitary treatment facility in advance to assure ability to process washed-down material. |

---

## 7. HANDLING AND STORAGE

### Precautions for safe handling

|                 |                                                                        |
|-----------------|------------------------------------------------------------------------|
| <b>Handling</b> | Handle in accordance with good industrial hygiene and safety practice. |
|-----------------|------------------------------------------------------------------------|

### Conditions for safe storage, including any incompatibilities

|                              |                                 |
|------------------------------|---------------------------------|
| <b>Storage</b>               | Keep containers tightly closed. |
| <b>Incompatible Products</b> | None known.                     |

---

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

### Control parameters

|                            |                                                                                                                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Exposure Guidelines</b> | This product does not contain any ingredients with occupational exposure limits that are at concentrations below their cut-off values/concentrations and that contribute to the hazard classification of the product. |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Appropriate engineering controls

|                             |                                                    |
|-----------------------------|----------------------------------------------------|
| <b>Engineering Measures</b> | Showers<br>Eyewash stations<br>Ventilation systems |
|-----------------------------|----------------------------------------------------|

### Individual protection measures, such as personal protective equipment

|                                 |                                                                        |
|---------------------------------|------------------------------------------------------------------------|
| <b>Eye/Face Protection</b>      | No special protective equipment required.                              |
| <b>Skin and Body Protection</b> | No special protective equipment required.                              |
| <b>Respiratory Protection</b>   | No protective equipment is required.                                   |
| <b>Hygiene Measures</b>         | Handle in accordance with good industrial hygiene and safety practice. |

---

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### Physical and Chemical Properties

|                       |                        |                       |                          |
|-----------------------|------------------------|-----------------------|--------------------------|
| <b>Physical State</b> | Non-woven wipes        | <b>Odor</b>           | None                     |
| <b>Appearance</b>     | Non-woven wipes        | <b>Odor Threshold</b> | No information available |
| <b>Color</b>          | Yellow non-woven wipes |                       |                          |

| <u>Property</u>                               | <u>Values</u>     | <u>Remarks/ Method</u> |
|-----------------------------------------------|-------------------|------------------------|
| <b>pH</b>                                     | No data available | None known             |
| <b>Melting/freezing point</b>                 | No data available | None known             |
| <b>Boiling point / boiling range</b>          | No data available | None known             |
| <b>Flash Point</b>                            | No data available | None known             |
| <b>Evaporation rate</b>                       | No data available | None known             |
| <b>Flammability (solid, gas)</b>              | No data available | None known             |
| <b>Flammability Limits in Air</b>             |                   |                        |
| <b>Upper flammability limit</b>               | No data available | None known             |
| <b>Lower flammability limit</b>               | No data available | None known             |
| <b>Vapor pressure</b>                         | No data available | None known             |
| <b>Vapor density</b>                          | No data available | None known             |
| <b>Specific Gravity</b>                       | No data available | None known             |
| <b>Water Solubility</b>                       | Insoluble         | None known             |
| <b>Solubility in other solvents</b>           | No data available | None known             |
| <b>Partition coefficient: n-octanol/water</b> | No data available | None known             |
| <b>Autoignition temperature</b>               | No data available | None known             |
| <b>Decomposition temperature</b>              | No data available | None known             |
| <b>Kinematic viscosity</b>                    | No data available | None known             |
| <b>Dynamic viscosity</b>                      | No data available | None known             |
| <b>Explosive Properties</b>                   | Not explosive     |                        |
| <b>Oxidizing Properties</b>                   | No data available |                        |

### Other Information

|                                   |                   |
|-----------------------------------|-------------------|
| <b>Softening Point</b>            | No data available |
| <b>VOC Content (%)</b>            | No data available |
| <b>Particle Size</b>              | No data available |
| <b>Particle Size Distribution</b> | No data available |

## 10. STABILITY AND REACTIVITY

### Reactivity

No data available.

### Chemical stability

Stable under recommended storage conditions.

### Possibility of Hazardous Reactions

None known.

### Conditions to avoid

None known.

### Incompatible materials

None known.

### Hazardous Decomposition Products

None known.

## 11. TOXICOLOGICAL INFORMATION

### Information on likely routes of exposure

#### Product Information

|              |                              |
|--------------|------------------------------|
| Inhalation   | No effects expected.         |
| Eye Contact  | No effects expected.         |
| Skin Contact | No effects expected.         |
| Ingestion    | Ingestion may cause choking. |

### Information on toxicological effects

Symptoms No effects expected..

### Delayed and immediate effects as well as chronic effects from short and long-term exposure

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Sensitization            | No information available.                       |
| Mutagenic Effects        | No information available.                       |
| Carcinogenicity          | Contains no ingredients listed as a carcinogen. |
| Reproductive Toxicity    | No information available.                       |
| STOT - single exposure   | No information available.                       |
| STOT - repeated exposure | No information available.                       |
| Chronic Toxicity         | No known effect based on information supplied.  |
| Target Organ Effects     | None known.                                     |
| Aspiration Hazard        | Not an aspiration hazard.                       |

### Numerical measures of toxicity - Product Information

The following values are calculated based on chapter 3.1 of the GHS document

No information available.

## 12. ECOLOGICAL INFORMATION

### Ecotoxicity

No information available.

### Persistence and Degradability

No information available.

### Bioaccumulation

No information available.

### Other adverse effects

No information available.

### 13. DISPOSAL CONSIDERATIONS

#### Disposal methods

Dispose of in accordance with all applicable federal, state, and local regulations.

#### Contaminated Packaging

Do not reuse empty containers. Dispose of in accordance with all applicable federal, state, and local regulations.

### 14. TRANSPORT INFORMATION

**DOT** Not regulated.

**TDG** Not regulated.

**ICAO** Not regulated.

**IATA** Not regulated.

**IMDG/IMO** Not regulated.

### 15. REGULATORY INFORMATION

#### Chemical Inventories

**TSCA** All components of this product are either on the TSCA 8(b) Inventory or otherwise exempt from listing.

**DSL/NDSL** All components are on the DSL or NDSL.

**TSCA** - United States Toxic Substances Control Act Section 8(b) Inventory

**DSL/NDSL** - Canadian Domestic Substances List/Non-Domestic Substances List

#### U.S. Federal Regulations

##### **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

##### **SARA 311/312 Hazard Categories**

|                                          |    |
|------------------------------------------|----|
| <b>Acute Health Hazard</b>               | No |
| <b>Chronic Health Hazard</b>             | No |
| <b>Fire Hazard</b>                       | No |
| <b>Sudden Release of Pressure Hazard</b> | No |
| <b>Reactive Hazard</b>                   | No |

##### **CWA (Clean Water Act)**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

##### **CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.
